Waypoints Congratulated in Legislature March 14, 2008

All parties in the House of Assembly rose to congratulate Waypoints, formerly St. Francis Foundation, on their 30th anniversary. Facilitators and children involved with the family support organization were in the public gallery. Health and Community Service Minister Ross Wiseman, Liberal Leader Yvonne Jones and NDP Leader Lorraine Michael spoke of the great work they do in helping families deal with troubling situations. Michael says it's especially thrilling for her, as she has watched the organization grow and flourish since it began.
