## Opposition Call for Province's Financial Update November 26, 2008

There's no precise date, but Premier Danny Williams hopes an updated economic statement for the province will be ready within two weeks. He was asked about it by Opposition Leader Yvonne Jones. The province's budget estimates are based on 87 dollar a barrel oil. Jones says 8 of the 10 provinces have delivered an updated forecast while Ottawa is set to update the country's fiscal situation tomorrow.
