## Minister's Lack of Knowledge on Mental Health Issues A Problem; Jones

November 27, 2008

Opposition Leader Yvonne Jones describes as alarming the Health Minister's lack of knowledge of a statement of claim against Eastern Health for lack of services. Responding to questions from Yvonne Jones in the House of Assembly, Health Minister Ross Wiseman said he was personally not aware of any statement of claim against Eastern Health. A copy of the claim indicates the suit was filed in October of last year by parents of a child facing mental challenges who was allegedly unable to get adequate treatment in the province.
